

Your Way to the ESUR 2008 Venue

Use the blue underground line „U6“ in direction to „Klinikum Großhadern“ and exit at the underground stop „Großhadern“ (last stop before the end of the line). From the city centre it takes about 15 minutes. The main interchanges to connect to the „U6“ are „Marienplatz“, „Sendlinger Tor“ or „Harras“.

At stop „Großhadern“ step of the train and walk in the opposite direction the train arrived (get off and turn to the left heading for „Würmtalstraße“). Use the escalator at the end of the platform, then take the first stairway to the left.

Reaching the surface just go straight on parallel to the Würmtalstreet for about 500 meters. When You reach the modern buildings of the HighTech-Campus turn to the left, pass the buildings „D“ and „E“ and progress towards the rusty cubes. Once You have reached them, You can see building „F“, where [ESUR 2008](#) takes place.

Important: Do not head for the University Hospital „Klinikum Großhadern“. The ESUR 2008 venue is nearby but not within this building!
